

Selective List for Name of Parliament of different Countries

As you know, every country has own parliament and every country is governed by their parliament. In India, we call Sansad our Parliament. As like, in each country, people call their parliament with the special name but first of all, we will have to know ↴

What is Parliament?

A parliament is a legislative body within a government that is responsible for making and passing laws. It is a fundamental institution of representative democracy, where elected representatives debate and decide on various issues, including legislation, [policies](#), and government actions.

Parliament can have different structures, names, and functions based on the type of government and country. There are two common types of Parliaments known Bicameral and Unicameral. India has a Bicameral legislature because it has two houses, Rajya Sabha, and Lok Sabha.

Here, we have shared the '**List of Parliaments of Different Countries**'. I hope it will be beneficial for all types of [Competitive Exams](#) and to all readers.
